

Byakko Telephone Message from Masami-sensei – Monday, March 23, 2026

To all members, how do you do. For such a long time, I have not had the opportunity to meet with you, and I myself feel truly sorry about that.

However, as the world has become like this, the time has finally come for Japan.

This is the result of all of you members praying with all your might, continuing to pray without ceasing.

Please observe this carefully from now on. People from many countries hold Japan in great respect, and many people are seeking to visit Japan.

Furthermore, the reason for this is that each and every one of you—even though some of you cannot come due to physical difficulties, some of you can no longer walk because of advanced age, some of you have fallen ill—there are all kinds of reasons and circumstances, but for those of you who have been praying continuously in your daily lives, even without all of that, the things of the past flow away, and I myself have truly been saved by this.

I, too, have sprained my foot and had my health in poor condition, but thanks to the strength of all of you, I am now well and walking, going wherever I please.

As I think about this, I feel that all your prayers are resonating and reaching me, and I am filled with gratitude, gratitude, gratitude.

Therefore, if all of you, just like me, stay well and simply keep feeling gratitude, gratitude, you too can walk again and go out wherever you wish. Please be at ease.

Your precious, precious, precious prayers are connected to Goi-sensei in heaven, so please be at ease.

I am deeply grateful to each and every one of you, and I truly believe you are such precious beings.

Thank you for helping me.

I look forward to your continued support.

That is all.
