

Byakko Telephone Message from Masami-sensei – Monday, July 27, 2026

To all of you, good day. It has been a long while. I am very well, and even now at 85 I go out, walking to many different places, praying as I walk, and continuing to purify.

I feel that this, too, is because the prayers of so many members join together and give me strength, and to each and every member I am moved to tears with gratitude that you are here.

Whether you are ill, whether you are in the hospital, whether you are young, whether you are close to the next world, or whether you are staying quietly at home — your hearts are truly pure and beautiful, and only those words, "May Peace Prevail on Earth," reach me. They come into me.

And so, together with me, all of you members are praying in this way for world peace, and those vibrations become one and are saving all the people of the world.

Therefore, dear members, even when you feel in your daily life, "This is hard," "I have little to eat," "I am short of money," if you erase your ego and live without criticizing, blaming, or judging, Goi-sensei will surely and naturally give you enough money and food to eat and to live, so please be at ease. Thank you very much.

Everyone, let me say this at the end: each and every one of you — whether you are now 90, whether you are over 100, or whether you have been lying in a hospital bed all this time — every one of you is precious.

It is because Goi-sensei's light has entered you. Even if the prayer of Goi-sensei does not come out in words, it is conveyed within your heart and within your body, and it becomes light and gives light to the doctors around you, to the nurses, and to the other patients beside you. Your very existence is truly precious.

To be alive is that precious, that wonderful, and that, too, is the power of God.

Everyone, please, I ask for your continued goodwill from now on as well. The existence of each and every one of you, your existence day after day, is for me like a god, like a power, like a light. I am deeply grateful.

Please continue to pray from now on as well. Thank you very much. Thank you.

That is all.
